MANDY NELSON'S TALENT HAS LED TO GIGS WITH TRAVELOCITY AND SONY, THANKS TO THE 33-YEAR-OLD'S SOMETIMES SEXY, SOMETIMES PERKY, ALWAYS MARKETABLE VOICE.

So I might hear you on the other end of the phone when I call a customer service line. Describe your voice.

Depending on the application, it can be pleasant and hypnotic, energetic and young, or soft and sultry. I don't try to do accents, but I can change the tone of my voice easily. [For samples, go to Dandysound.com.]

Why become a voice talent instead of a DJ or a radio personality? →
